## **YAHWEH YIELDS IT:**

These parts will be discussed in the next entry:

- Point One: Taunting
- Point Two: Opening of ear and eye gates
- Point Three: Visions / Dreams that lead to nightmares
- Point Four: Then Murder leads, but it's not Pure Evil

## **A BRIEF ENTRY**

- Murder can be represented in killing the body, soul, or spirit.
- Symbolism is not a branding of horror, but symbols are used to represent or stand with a team, person, or covenant. Symbols show ownership.
- And so, what Satan would do—he brings “wisdom” through hearing and seeing. But with no spiritual discernment, a person would think they engage Yahweh just because they can hear and see. “Angels” would come and say that they speak Yahweh’s will. But these angels that say they are worshipping Yahweh appear as angels of light but from a different source, an evil source that takes on an outward appearance as belonging to Yahweh but instead has a covenant with Satan.
- Horror is one way the spirit world uses to introduce Satan’s kingdom, but the introduction is to build a covenant.

Someone may say, "I saw an angel, and the angel told me something that doesn't line up with Scripture. But I know it was a real angel. I know what I saw."

You may have seen an angel of sorts. But no angel of Yahweh's will have you contradict the written Word.

- No one has seen the level of horror that will come out of Satan's world leader. The world literally drinks about a 30 percent surging of Pure Evil, a very powerful demon under Satan, one of Satan's generals.
- When the Age of the Antichrist leads, there is no way to hide during the tribulation placement when the mark of the beast is being distributed. Satan's actual army will be his demons. There is no hiding from a spirit unless Yahweh gives protection. And so, the world is slowly drinking (embracing) the demon named Pure Evil. But the floodgates will open with an unhindered way of engagement with the demonic way. The Great Holy Spirit is blocking. If an angel comes to you or if a voice speaks and says to defy Yahweh in any way, do not follow that! Stand with Yahweh.
