

THE WOMAN AND THE CURSE

YAHWEH SAYS IT:

Was a woman always under a curse? Read Genesis to gain seeing. Paul gave the woman a position that made her stay under the male, and his reasoning was due to a curse given by My will. Take a look at the use of women in civil, spiritual, and Kingdom order. To have any woman lead over any man in any portion of a natural era, Old and New Testaments, and in this placement of Church ways, would need a Kingdom order DIRECT FROM YAHWEH to give her a position that overrules the curse I gave in Genesis.
