

THE FIRST TIME I SAW SATAN

ENTRY, BEFORE 2015

SUSANNA SHARES THIS:

I remember some time ago when I dreamed of a “nightmare.” Most would not call it that, but I distinctly can recall Satan coming to visit me. I slept soundly and had this unexpected visit. Satan appeared in my room as a brightened fallen “angel.” He came so close and lit up the whole room.

I noticed Satan as he came towards me. I noticed that there was something very weird about his nature. When I looked into his eyes, they were not human-like, nor were they a loving way, like other angels that would visit me.

Let me fully explain something: Satan is no angel who serves King Jesus. Satan rebelled against Yahweh, and with a great number of angels who followed him, he was kicked out of Heaven to take the place of being here on Earth. Satan has his home, so to speak, in the heart of Earth. In Earth’s center is the place known as Hell. Scripture makes it clear that Hell was created for the devil and those angels who followed after his way.

Satan has many humans following him, and those who follow him know he is a fallen angel, where he will never be in good favor with God. Satan’s permanent place is an eternity in the lake of fire, and so it is also for those fallen angels—also called demons. Any human who chooses Satan over God will also have a place in the lake of fire throughout eternity.

Satan is cunning. He looks a way that is deceptive. When he came to my room, he showed anger in his eyes. Those eyes were shaped inside the pupil as if they were snake eyes. He looked like a snake from his face, yet his overall view was angel-like—very deceptive if one had no real spiritual discernment from the Great Holy Spirit.

When I saw him, I did not understand why he came and looked at me. Now the Great Way says it is time to share this story, and with this sharing, I have the King's promise that He will make it clear why Satan came that first time those many years ago.

THE GREAT WAY KING JESUS SAYS THIS:

Now I will, servant. A mark has always been placed upon you even before you were made aware that you have this major calling. "Explain this even further," is your heart's plan. I can make it fully clear to you. I have marked you for this major way that you are walking into this coming week, servant.

With you relocating to Virginia Beach, you will take on a new work way. This work has been planned from even before you were born. Just as Satan can mark a child in the womb, your Great King has started that will in original planning, where I marked you for this position of service in My Kingdom.

Before you were born, there was a literal marking placed upon you, where I had claimed you for a specific calling that must be followed through. All can have free will to do their own will, yet there is also a marking that can be placed upon a newborn that is carried all through their whole way. That's why you could not break free from seeing unseen details. This is why you always were walking in the supernatural. This is why you were always different than others growing up.

This is why Scriptures made sense when it confused even pastors. This is why you have a full knowledge of clarity concerning the Rapture and how all will continue into eternity. It has been downloaded into you. You have levels of spiritual awareness that have been downloaded into you before you were birthed forth in natural ways. That is the mark. Just as Satan can fill a baby with demons even while in the mother's womb, you have been filled with My presence, nature, and glory, even before you were born, in natural details. This happened with John the Baptist.

You have always had this calling, but while you were growing up, no one could have this wisdom to tell you. Many would say you have a special calling or that you will do great things or that you are a mighty woman of God, but they truly could not say it. They could not have this way to know it. I would not have them know this level; it would have made you proud and highly exalted. It would not have been good to share this when you were growing up. You were always dealing with spiritual movings. Now you truly have this way to know why you were signaled out for so much unseen engagement.

You are marked. There is a literal mark upon you. There is this great hunger to be birthed forth. You will now be this person you were called to walk in. This is the reason why Satan showed up that day so long ago—many years, in natural details. The mark is on your forehead. Now be the person. And do have confidence that your Great Way will take care of all that you need. You will be just well.

You will see Satan clearly when you go to the Hell in the fifty-day training. And that is why you will not have a way to eat for fifty days. More than a dream: it was a real visit that you saw in your spirit yet while asleep. You have had many visits from demons since then. And even while sleeping, your spirit is awake and watching what takes place in the unseen way. You have it. Now you are in a way to know the way you have been birthed forth to become.
