

# I WAS ANGRY WITH THE WOMAN

June 21, 2023

10:40 p.m.

(1) Now the serpent was more crafty than any other beast of the field that the Lord God had made. He said to the woman, "Did God actually say, "You shall not eat of any tree in the garden?" (2) And the woman said to the serpent, "We may eat of the fruit of the trees in the garden, (3) but God said, "You shall not eat of the fruit of the tree that is in the midst of the garden, neither shall you touch it, lest you die.'" (4) But the serpent said to the woman, "You will not surely die. (5) For God knows that when you eat of it your eyes will be opened, and you will be like God, knowing good and evil." (6) So when the woman saw that the tree was good for food, and that it was a delight to the eyes, and that the tree was to be desired to make one wise, she took of its fruit and ate, and she also gave some to her husband who was with her, and he ate. (7) Then the eyes of both were opened, and they knew that they were naked. And they sewed fig leaves together and made themselves loincloths.

—Genesis 3:1-7 ESV

## YAHWEH IS LEADING:

I was angry with her. I could not kill her, so I lowered her through a natural curse and placed her under her husband. Put that curse mentioned:

To the woman He said, "I will surely multiply your pain in childbearing; in pain you shall bring forth children. Your desire shall be contrary to your husband, but he shall rule over you."

—Genesis 3:16 ESV

I had to place her under her husband so that their **governing** would not be the same. The woman was placed under the man, not due to inferiority but so that the curse would be a constant reminder of the sin against Yahweh. The man put his wife's wanting over Yahweh's command. And so, a woman, in the natural placement, is lowered to be under her husband, now the head of household living. Pay close seeing. **I said household living, not kingdom order.**

Look at Paul's way of building up church outlets as house structures! The law from Paul of not allowing women to lead over any man does not stem from a woman's lack of ability to hear Yahweh, but rather, Paul's law looks at how women are placed as lowered from a curse in a household placement. It says, "Your husband shall rule over your way."

So, when people today say that any woman can hear Yahweh as He would lead, that is still accurate. We (Yahweh) do not look at whether the gender who hears Yahweh is male or female. We do not look to see if no good men are available before talking to a woman. Yahweh looks for a willing person to see if they will yield and do Yahweh's will. A Kingdom order will not bend to a curse. When Yahweh says He wants to overrule a cursed way, He speaks a binding plan that will be the overruling way even while the same curse is evident and active in others.

Why did Yahweh have an agreement with Paul's law of treating women in a lowered placement? Because churches were set up as a house structure. The church operated out of the person's house. The gatherings were in the Christian's place of living. And with the man being the head of the house, **it would have caused too much division to say that women can lead over a man while in the church service but then go under the male when the church service ends.**

Allowing circumcision did not change an order of a curse, for that was a covenant will, but having women lead in roles of leadership in the establishment of the church structure would bring dissension, with the male being offended to listen to any woman govern him.

See, seersgate, it's just as when I asked your husband to do My real will: as head of household, move the family to a new land. But he did not want to bend and is now buying a house in a dead territory named Houston. But will his surging to lead his house how he chooses without listening to his wife bring a halt to Yahweh's Kingdom order ruling in his wife? No, for now, I bring you a way to bring in your own wealth to invest in work that will build a Kingdom work without having to go through your husband. See how you were once waiting on your husband to yield and follow Yahweh, but we have waited four years and can no longer wait.

So, households can follow one plan while Kingdom placements within the woman will not be stripped down and diminished due to the woman being governed by the curse. That means the curse to lower the woman under the man will govern a household but will carry no weight in spiritual governing, accomplishing Yahweh's real work as a Kingdom power. And Kingdom order makes it possible for any woman mentioned in Scripture and living today to take on any governing role Yahweh presents her. Because the Kingdom order overrules any natural curse, and that includes natural death and the lowered placement of a woman under the order of a curse stemming from the Garden.

\*\*\*\*

So, what must happen for any woman to gain the enablement to govern over any man? We—Yahweh—must give a governing order that says that in this person's case, she will lead in outlets, governing men and women with KINGDOM BACKING. So, what must be in accompanying ways with a woman giving any order over a man? Yahweh must rest upon her, and her placement cannot be under the Church structure to avoid conflict with what was spoken in written Scripture. If Yahweh calls a woman to govern any man, Yahweh will not have a place in the local church to give her a platform.

\*\*\*\*

The churches are set up as house structures where the man governs based on a curse from Yahweh spoken in the Garden of Eden. And for Yahweh to overrule that curse, He would take that **specific woman**, give her a trait of governing (prophet, judge, scribe, warrior, etc.), and give her His direct Kingdom order to enforce over others apart from a church structure, just like John the Baptist or any other worker who was not scheduled to work conjoined to a household church structure or the days of old.

For Yahweh to put a woman in a governmental placement, Yahweh would not permit the woman to have a platform in a local church structure in leadership over a male. But she would **govern the spiritual houses from outside the structures as a Kingdom officer** sent directly from Yahweh's hand with a backing as proof for office-level work. That is the only way: Yahweh must overrule the curse from the Garden of Eden. And the current culture cannot change that power placement.

I will have to consider bringing forward a new power way that will no longer let the curse of the woman continue. Wow, that would take a woman glowing just as Moses did as a way to prove what I say is authoritative. And then I can bring forward one unified house Body of Yahweh, structured under Kingdom order, no longer under natural curses. Is there such a woman in the grooming that Yahweh is training? Let's have a look at what comes forward in street outlets.

See, now. The woman I am pushing forward is living in Texas. I want her to leave Texas. And I want to bring her forward in heavy battles in spiritual ways of street ministry. That is apart from a church house, outside of the house on purpose. And I will give her all five office placements to govern My house on Earth as a world-level prophet. Wow, the next two years are critical for this placement. I need us there in place by then.

(Read the teaching "The Source of Prophecy" in another book for more insight on prophet traits.)

## YAHWEH CONTINUES:

I lowered the woman due to how she turned Adam against Me and became a lowercase god to him. Adam heeded the voice of his wife and ate from the forbidden tree and gave all of humanity the stain of sin. But Adam and Eve governed well in the Garden before the Fall. Eve could hear Yahweh. Eve knew when Yahweh walked in the Garden. Eve came out of Adam as a part of him but not lowered.

That is what the curse brought: a lowered placement.

But will there be any curses in My Kingdom? And in My actual Kingdom this day, are there curses? No. Step out of natural time and daily operations of natural ways on Earth. Come and see Heaven. Tell Me what you see. Any curses? Any death or pain? Yes, even though people still need their resurrected shell, they enjoy the curse-free Heaven while in death at this very moment because Heaven is not tethered to Earth. Heaven is not operating under Earth's curses, culture, or governing. See this fallen world; Heaven is not under the curse of Earth. No one who is in Heaven drinks the curses from Earth. Heaven is where the Throne is. Heaven is where the Father sits.

Heaven can state a new covenant plan and bring a direct new order overruling whatever curse leads. And even with the cursed woman, Yahweh can state a plan at any natural time and bring forward a new order that brings Kingdom order, an overruling governing that takes place. **And women cannot have a PASTOR office placement in the church buildings, but that doesn't take away Kingdom order apart from the curse, which means, Yahweh can bring judges forward, prophets, teachers, and preaching ways under prophetic utterance through women.**

The PASTOR outlet is a GOVERNING SHEPHERD **ROLE**. Men need to cover the natural and spiritual house, as spoken of in Paul's letters. Yet Paul did not give messages from a prophet's office standing through a letter. Letters were written just as you would write a letter today, and based on Paul's authoritative standing, those letters would be canonized

and listed as Scripture. In some, Paul shared his opinion, and in other parts of his letters, Paul would say that the LORD told him to follow that order.

And women were placed under the male SOLELY DUE TO A CURSE. But the curse stemmed from YAHWEH, spoken in the Garden of Eden. ONLY ONE ROOT SOURCE CAN OVERRIDE HIS OWN CURSE: YAHWEH. And Yahweh overruled His curse on a woman in any instance when Yahweh raises a woman up and has her govern over men. Deborah was a judge and a prophet but not in the Church era. How would women stand with that same logic and say that if Yahweh raised up Deborah, He would be able to raise her to the governing placements? The way Yahweh would raise any woman to govern would need a Kingdom order when it pertains to governing WITHIN THE CHURCH STRUCTURE.

Yahweh takes His servants outside of the curse or culture or establishment and brings them a plan that shapes their governing territorial way based on an order that doesn't contradict His stand-in way of Church order. The church structure of elders and leaders isn't a permanent plan, for Yahweh will rule here. In the meantime, Yahweh stands with the order given to Paul, yet will take servants from under the structure and train them apart, holding them under KINGDOM ORDER but still giving honor, standing with the Written word.

I was angry with the woman. But I still want to use women, not in a degrading way but as it was BEFORE THE FALL. Why? Active preparation for the Second Coming of Christ is now coming forward and requires a new order, a new way. It's a time quickly coming into natural placement. Father Yahweh determines the moment. (It doesn't mean that King Jesus is not all-knowing. As with any order, the One will give the order even if anyone else is aware of a coming change.)

Seersgate is a woman prophet, a servant, chosen to say the Age of the Antichrist is at hand. And she is separated from every church gathering and trained in a world-level placement. And her mantle carries no grace. Harsh words, judgments, and ordered ways

flow from her. Please do not aim to kill her. Speak ill ways but do not pray for her death. Yahweh would hear you and would weigh if your actions damn you.
