"My anger is strong against him." —YAHWEH

HE IS A HABITUAL FALSE LEADING WAY

YAHWEH IS LEADING:

Why would My anger be so strong against this scapegoat? Many would think it's for the obvious reasons of him preaching the "prosperity gospel" but take another brief look. I am angry because he lied. HE LIED ON ME. I have waited for him to say that he is in the wrong, but will he?

Can you see why I would be upset? Would "upset" be the right wording? When someone gives a saying and attaches that "Yahweh says it," should I give a lenient way? They say grace makes it possible to say whatever. What if I did strike you dead for how you irreverently use My great name? Shouldn't I strike you? Since I am the same Yahweh from the Bible-writing days, shouldn't I still value My name and My word?

Why would a few thousand years bring a deadness to hearing Yahweh from what has been penned? The early writers are not living here in natural placings. They are living but not here. The prophets of old heard the word of the Lord and then repeated what they heard. With that level of engagement, how could there be room for error? Yahweh would say something, and the hearer would say back, in a word-for-word format, Yahweh's wisdom. It's not how the Church is geared to live to function with this level of engagement with Yahweh. The Church has a hindering plan, and the Church will not have the ability to be able to have engagements with Yahweh as if the will of how prophets are would be transferred into their way. People cannot learn a course to be a prophet.

People think that having the Great Holy Spirit living within would guarantee that they would have God-level traits, able to be a lowercase god, and attain a seeing way similar to Yahweh. Yahweh is the One True God. I have not made any duplicates. Yahweh is self-standing. I am in no need of human workers to boost Me up to make Me look more like Yahweh. I AM. You say Yahweh says this, and Yahweh says that. What proof can you say? This is what others struggle with, saying Yahweh said anything when so many say they have a “feeling” that Yahweh did speak. Either We speak to you, or We did not speak in that way; there isn’t a feeling.

WHAT EVIL YOU SPEAK

You, Benny Hinn, I have a cause for anger. You tell them, “Give natural wealth and you will have a healing.” How could Yahweh let you do this evil? Easy. Grace covers the Church. Grace makes everyone happy and feel assured in how they act. They can start off “right” and then, once there are a lot of followers, they start relying on their own way. Just like king Saul, he wanted to yield to Yahweh’s plan when he was little with no title. And once he had an army and he knew that a prophet would say to him what Yahweh yielded, he gained his own power with influence.

See, that’s the way of certain ministers. They gauge their work based on how big the crowds are, how many people are saying how well they are doing. Yahweh works by covenant in doing a work for Kingdom building. And since covenants are established when working with Yahweh, there can be a turning away, where Yahweh says, “Let’s look for another to take that placing.” Yahweh looks for another covenant carrier when the current covenant holder moves continually against the ways of Yahweh and His Kingdom. And when that person thinks that all is going well, Yahweh stripped away from them and gave what they had, that covenant placement, on the head of another.

To the formerly covered one, their current plan still “feels right” in how We deal with them, but they only deal with a power residue of what previously once was. The

previously covered covenant worker thinks that I am still with them based on how I did not strike them down. They operate using a residue of what once was, yet Yahweh is not there. Yahweh is already moving in how the new covenant worker should grow.

Should I strike them down, the former covenant worker? Should I bring forward My full anger out into the natural way? Should I resort to yielding out judgment upon them now? Would My instant judgment upon that former covenant worker prove that My anger is real, how I long to strike you dead right now?

I talk to you, Benny, in “baby language talk” because you did not mature past spiritual baby milk. You give the people a steady surging of spiritual poison that is false doctrine that seems easy to take in, but this chemically-laced poison is not detected without taking in discerning ways. So, you have poison, false doctrine, but this poison has a chemical that puts people into a spiritual haze filled with confusion, false hope, and off-base declarations based on wishful thinking and emotional blindness.

This chemical within your poison is called Master Deceiver, the very demon trait used in preparation for the reigning of the antichrist. Master Deceiver is a demon able to twist what is actually truth to turn it where its base meaning is no longer. “Did God say—?” That is the base of Master Deceiver, always wanting to question Yahweh’s foundational scriptural meaning in reference to His written Word.

You say, “come to the front or you will lose your healing.” Where did Yahweh say it in written Scripture? You say, “all can be healed.” Where did I say that all can be healed in their flesh this day? You operate under the lying trait of the demon that will build a strong way of deception during the Age of the Antichrist. You made people give their income on the basis of telling them a false way. You tell them, “God heals you,” when I didn’t. You tell them to throw away their medications and just trust that the healing took way. That is not Yahweh speaking through you. You tell lies in the name of Yahweh.

THE FALSE VERSUS THE REAL

“Did Yahweh say that in that way? Surely, Yahweh can look at the world now and see that we live differently than those in the early Church. He would not punish me for bringing in my own interpretation.”

But I look at your interpretation and see how you change the base meaning of what Yahweh says. I look at how you bring in your additions and addendums and say, “Surely, there must be an update. Yahweh would not punish me for saying we need money to build up His work.”

Do I need money stained with the blood of the many you tricked into giving? Do I need anything? No! Are you still under the way of tithing from of old? Why would you stand with the sayings of the early Church and its apostles of the written Scripture in other areas except for those plans that bring discomfort to your way, hindering your plan to build up an empire? You say, “Yes, there is grace in the new covenant,” but I also say to freely give.

(6) Remember this: Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously. (7) Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. (8) And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work. (9) As it is written:

“They have freely scattered their gifts to the poor;
their righteousness endures forever.”

(10) Now he who supplies seed to the sower and bread for food will also supply and increase your store of seed and will enlarge the harvest of your

righteousness. (11) You will be enriched in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God.

—2 Corinthians 9:6-11 NIV

YAHWEH CONTINUES:

And with this freely giving way, is there manipulation in My words? Do I say that the more you give, the more you will have healing? Do I say that if you give your income to a certain worker, I will make you have the same as what the leader has?

Why have you lied so that you can gain the wealth of the people? Why did you lie and say that Yahweh says it? I give My written Word, but not how you have given it. Listen, I have already judged you. There is no covenant that you carry with Yahweh, and there is no healing way that stems from your mantle.

Look and pay attention. You have a mantle, and the gifts and calling are with your way. But pay very close attention: I cannot give you a covenant surging in your mantle with how you told so many lies in the name of Yahweh. We—Yahweh—have already looked for your replacement many years ago, and all you have given forward is a dead way, an old residue of what once was. You were called to walk under Yahweh's power, but you did not take the time to study the Word and be built up in your training.

You had a little taste and told yourself that no one can tell you what to do because you can make people fall out. Pay close attention. We—Yahweh—can step away and make room for you to conjure up demons in the place where the Great Holy Spirit should dwell. We gave many warnings to turn from your wicked placing, but you did not heed. We gave many warnings to stop telling lies in the name of Yahweh, but you did not think they would be counted. And then you blame them. You blame these sick, desperate, hurting people for how they did not get healed.

My anger is strong against your work. I am never working through you on world plans. You will have to gain “wisdom” from demons to pull off your tricks. There is a woman and others who will take the real covenant and bring real Gospel preaching to the people. Churches will not drink it because Yahweh will not give a church gathering the attention.

This is a call for your way. Stop telling lies in the name of Yahweh. When Yahweh moves forward and comes against a soul, who can cover their sin? Turn from working with Master Deceiver. Turn from the works of evil.

(6) He said to me: “It is done. I am the Alpha and the Omega, the Beginning and the End. To the thirsty I will give water without cost from the spring of the water of life. (7) Those who are victorious will inherit all this, and I will be their God and they will be My children. (8) But the cowardly, the unbelieving, the vile, the murderers, the sexually immoral, those who practice magic arts, the idolaters and all liars—they will be consigned to the fiery lake of burning sulfur. This is the second death.”

— Revelation 21:6-8 NIV

YAHWEH CONTINUES:

Look at where liars go—habitual lying. And you say Yahweh says it, all your lying sayings. Oh, a grave warning: turn from telling lies in Yahweh’s name. The flame is almost gone. The residue makes you believe that you are in right standing with Yahweh. No apologizing without active repentance.

And I will not let you taste of those other plans.
