

CURSED TO BE UNDER THE MALE?

YAHWEH SAYS IT:

Seersgate, make sure tell them the whole way and note it in the upcoming book about pastors and the woman. Even though Adam was with Eve when she ate the forbidden fruit, the punishment of lowering her became a standing curse so that there will always be a remembering to stay away from hindering Yahweh's will.

And so, I overlook the female, having her take a lowered governing, not ingrained with complimenting the male but due to the governing she gave in the garden. Her leading stood and replaced My governing. And so, I gave her a lowered way because Adam viewed her governing as a way to heed over obeying My will. Eve became the lowercase god of Adam in that moment of disobedience. So, I made Eve submit under, in governing.

And certain women will give out Yahweh's order to bring shaping and turning within the current Church placement. So, yes, a curse on the woman's placement is currently binding due to what I spoke in Genesis. But Yahweh can speak a Kingdom order that will overrule a curse, even dealings with death, sickness, and a lowered woman, in placement, and bring a new way forward.
