

SATAN HAS FOUND ANOTHER WAY

The Eunuch Syndrome

YAHWEH GIVES A STERN WAY OF WHAT IS MOVING FORWARD:

Become aware. You think you have gotten rid of abortion in the general law will. Satan has moved forward with another placing that strips and brings eunuchs into living through giving a pretending in dysphoria. They feel they do not need their sex organs, and they get surgery with a fake plan of having a replacement that will bring in a new plan with sexual ways and sperm and eggs and orgasms. Be aware. Cutting off sex organs is the new way of killing off the future men, women, and purposed youth who are to bring real living. For if you kill the ways to bring forth men and women into natural placements, it is as the old way when there was a removal of life from the womb.

I will give creative miracles when the time is in place. Should I make it a plan to give reversal "surgery" to the cases that carry regret? Should I give a new sexual organ, filled with potential giving of men and women into the earth? Be fruitful and have babies. Multiply. But Satan gives false ways of feeling. And people wake up from their nightmares, seeing that they will never have enjoyment in sexual ways. Should I have ways to rebuild the clay within the ones who cut off their organs and made themselves eunuchs? Answer.
