

# "I NEGOTIATE WITH DEMONS"

## **YAHWEH IS LEADING:**

Servant, there are times when I would have a servant walk in doing negotiations with devils. How would that look in the written Word? Show them that way.

(1) They came to the other side of the sea, to the region of the Gerasenes. (2) When Jesus got out of the boat, immediately a man from the tombs with an unclean spirit met Him, (3) and the man lived in the tombs, and no one could bind him anymore, not even with chains. (4) For he had often been bound with shackles [for the feet] and with chains, and he tore apart the chains and broke the shackles into pieces, and no one was strong enough to subdue and tame him. (5) Night and day he was constantly screaming and shrieking among the tombs and on the mountains, and cutting himself with [sharp] stones.

(6) Seeing Jesus from a distance, he ran up and bowed down before Him [in homage]; (7) and screaming with a loud voice, he said, "What business do we have in common with each other, Jesus, Son of the Most High God? I implore you by God [swear to me], do not torment me!" (8) For Jesus had been saying to him, "Come out of the man, you unclean spirit!" (9) He was asking him, "What is your name?" And he replied, "My name is Legion; for we are many." (10) And he began begging Him repeatedly not to send them out of the region.

(11) Now there was a large herd of pigs grazing there on the mountain. (12) And the demons begged Him, saying, "Send us to the pigs so that we may

go into them!” (13) Jesus gave them permission. And the unclean spirits came out [of the man] and entered the pigs. The herd, numbering about two thousand, rushed down the steep bank into the sea; and they were drowned [one after the other] in the sea.

### **YAHWEH CONTINUES:**

These were territorial demons. They wanted to stay in that region where they were with the man. Notice how they didn't just leave their host. What covenant ties did the demons have with the man who was heavily taken over?

“I want you, and you want me.”

Were the many demons actually named Legion? Legion represented a gathering, a way to bring forward a great host in numbers. There was a tie that this legion of demons had with this heavily coerced man.

Look at how the man came to greet Me. People would say that demons would not come to church. Look at how this man came and bowed before Me with greater demons than most people would carry into a church way.

Did the demons deceive Me? No. I knew their intention to remain in that same region and not be sent to a pit. I knew that they wanted a new host. They proved their way of intention by killing their temporary host. Look at how the covenant ties with the man had to be broken. They (the demons) needed an outside way to break that plan. And what is the outside way of release for those who are heavily influenced by demons? Yahweh is the only real Mediator who can help free a person from their demons.

I negotiate with demons to take them off of one source (host) when the victim is unable to bring freedom by directly saying they need help through seeking Yahweh on their own

behalf. Yet, look at how that man showed how he wanted freedom! He bowed down to Me. There was a split way: the man sought help while the demons begged not to be thrown into a place of torment.

I will look at the person's true way, break the covenant they carry with a demon, bring them freedom by sending the demon into another placeholder, and let them (the demons) find a new home so that the original victim can be set free.

I negotiate to move the demon from one bound host who is unable to speak their freedom and turn and renounce their old former way. And I will take that demon from that original host and allow that demon to take on another residence.
