

CALLING FORWARD A REMNANT

September 23, 2021

2:50 p.m.

YAHWEH, THE GOD OF THE UNIVERSE, SAYS:

What is the Age of the Antichrist? People say that Yahweh would not have another age or dispensation apart from the Church Age. But what if there are other parts? What about the time when the Antichrist rules on the earth? What about the thousand-year rule of Christ on Earth? How can both of those times be included in the Church Age?

Will My people read Scripture and truly see how I bring a call to repentance before a major judgment comes? Woe, people who are under the understanding that grace will allow them to continually sin and still have a plan to enter Heaven. I call forward a world-level prophet who will speak My plan. I call forward a remnant of those who will not bow to the ways of the culture. I call forward a people who will have no other gods before Me.

If you are planning on being with Yahweh for all of eternity, do not think that I will let sinful ways rule. Come and surrender to the ways of your God, King Jesus. And so, I can call the timing when Satan has a ruling plan with a man, groomed by the prince demon Pure Evil as a new era. But in that time of calling forward to give a warning of what is coming, I call forward a time to turn to the One True God I AM. Now.
