

SATAN AND HIS WORKERS

SEERSGATE:

Yahweh allows Satan and his workers to come into my dwelling and take a look at what is taking way. It isn't that Satan has greater strength. Instead, Yahweh trains me in dealing with all areas of demon engagement and wants a well-rounded servant who is not afraid of dealing with spirit travelers or demons. Here is a small taste of what I've dealt with during my training with Yahweh.

YAHWEH IS LEADING:

Seersgate, let's talk about Satan. You dealt with Satan on many occasions. The average person would not believe your stories because they view Satan as this unapproachable spirit, a myth, or a materialized spirit that is like the character on the TV show that I told you not to watch. Servant, let's tell them about Satan.

Most know what Scripture says—that Satan was once a beautiful angel who wanted to be God, worshipped. Satan was thrown out of Heaven along with those angels that rebelled along with him. Once a beautiful angel with the power of an archangel was Lucifer/Satan/the Devil/the father of all lies. This is who Satan is. And you have dealt with Satan. And this is nothing to boast about, and you are not doing this. But others would marvel at your experiences, and they would put you on a pedestal, and that would greatly offend both of our ways.

Why did I do this to you, servant? Why did I allow witches, warlocks, demons, angels, and others to spirit travel into your dwelling? On many occasions, you dealt with this way of engagement. How could you be a deliverer and not know what the spirit realm is like? Take a look at Moses, and you are not like him. Take a look at how I prepared Moses for his work duties. He trained as a prince of Egypt and did not take on the mindset of those he would lead to be set free by My power. Moses had to have a different preparation. I would not have had him stripped for that level of work while having a slave mentality. Moses would have been in the same way of spiritual and emotional prison as those he would bring deliverance to.

And this is what happened with your way. I made you deal with every level of demonic presence in Satan's kingdom. I also made you engage angels of various strengths and were able to see in the spirit realm so you would be prepared. Prepared for what? Bringing deliverance to those under spiritual torment. How could you bring My delivering plans if you are afraid of seeing the spirit realm or facing Satan? I would not use you to do this way of work if you could not face the weakest of demons. And people must understand this. The training way brings forward a way of work, not so you can look good, but to bring the people a delivering way from Yahweh. But I made sure that the demons were not at their full strength. I weakened them in strength, but I did not change their nature. Why would I weaken them? To avoid you being destroyed.

Servant, now when you see drawings of Death, Satan, or other spiritual ways, you are bothered by what people draw. It bothers you when people say they have seen Satan, and yet they draw a red creature with a tail. You know they have not seen Heaven when they draw some of the weirdest things based on how you visited Heaven on three occasions to date. Why would I let you see your home in Heaven? Why would I let you see your child you miscarried? Why would I let you eat from the tree by the clear river? Why were you able to feel the angel, touch his wing and his robe? Why would I allow this? Because you are an "End" prophet, a prophet trained as a prophet of old. But you have a heavy work way from Yahweh: your mission.

Yes, all believers in Yahweh have a certain way in the Kingdom, and yet all do not carry the same gifts from Yahweh, nor do all carry the same office placements. I had to train you this way. And I even dampened how you dealt with Me so I would not kill you. Servant, I had to give this introduction so they would know what you dealt with for thirty years as a novice prophet, in a cave of rejection for ten of those years, under a ten-year punishment for rebelling against Yahweh's command, abandoning your post in your tester work. Now, let's get into talking more about Satan.

I have to teach the people about Satan. Satan is not all-knowing. He cannot be everywhere at once. Satan sends out his workers and spirit beings to gain a report of what is going on. Satan sends out familiar spirits to tell the people that they are talking with a dead relative. Satan works through ministers who can tell you what's in your house and other "knowledge-based" actions, making a person think they are hearing a prophecy. Some call themselves by the title of prophet, yet all they do is hear demons tell them what is common knowledge due to hearing it spoken in natural circles and having a demon hear it.

Satan can materialize. Satan can mate with humans. Satan will not give you, reader, a position in Hell to govern with him. Satan wants to use you until he takes all, and then he discards (destroys) you. Satan can appear as a beautiful angel, yet his eyes show his true way. He can appear as a human and walk around the general population, and no one would know. Satan knows that a way to honor him is to eat human waste, and people do this to transfer the greatest surging of demons. This is a full takeover in darkness when eating human waste.

Satan wants the showing of breasts because when a program shows the naked chest, a doorway becomes open, and demons can come based on how the person viewing the act has allowed entry. A woman on social media is doing this, lifting up her top so others would see her breasts, not knowing her depth of deception in Satan. Her way is filled with darkness to tempt others to fall.

Satan negotiates with those he thinks have a certain level of governing authority. At first, servant, even with your way, Satan sent a lower demon to talk with you while Satan stood there. Satan didn't view your level of positioning authority in Yahweh as of any worth when you were just learning to deal with your angelic guard. And over time, Satan sent other levels of demons to gain insight into Yahweh's will. There is one particular incident you will never forget. Satan came and dealt with you in direct ways, though not the first time, but a memorable one. Satan begged Me not to send you to Las Vegas. And then he mocked you.

Satan wants Christians to believe that Satan has no power. Christians must see that Yahweh still gives demons a lowered placement in their power way. And this is why Christians must submit to Yahweh, resist the devil, and Satan will flee. Christians are confused in thinking they can bind Satan when Satan is roaming the earth, as Scripture states. No human can bind Satan. This is one way of statement I want to see ceased. There are others, but this is a form of awareness to the Body.

Satan was created. Satan is not God. Satan will one day be thrown into the lake of fire, forever tormented. It's already been spoken.

Satan can be conjured. A person can call forward a demonic presence on purpose, begging to have them enter. But demons have a hierarchy, and Satan governs. What Satan likes is to have his human brides display his way—indirectly. People would be surprised to know who Satan's bride is over the United States, for she says she is a Christian and says "I AM" statements with a Houston pastor. Did I say enough to unravel her identity? The point is not to know who she is; rather, I want to take down her empire.

Servant, people think they deal with Satan directly when the majority deal with lower demons. Some deal with territorial spirits or familiar spirits that people think are not real. The Church is in a spiritual blindness about what takes way. They think that they have power outside of Yahweh. They want to deal with Satan directly, not knowing that that is a dangerous feat to move into dealing with demons without Yahweh's leading.

Seersgate, I let you talk with Satan. Satan gets permission to meet with you due to your work. You do not conjure Satan. Yahweh allows Satan to see what we talk about, but some meetings are off-limits. You deal with Satan as two sides negotiating, and sometimes, Satan will taunt you or aim to weaken you by speaking deceptive sayings to make you think Yahweh will leave you to do this work without any power.

Yahweh will prevail. And Satan is still permitted to come and enter your dwelling. Your office is already set up for the new level of spirit engagement. Your office desk faces the window for when demons and Satanists or demonic workers enter our dwelling by spirit travel. The natural door in the house is not the spiritual gateway; rather, the window.

It's time to teach the people. Demons are not here to play games with a person in fake deliverance sessions. Demons want to remain hidden. They want to take a person down, bit by bit, until they are fully taken over. Twice dead.

STORY 1 **THE WITCHES KNOW OF SEERSGATE**

February 16, 2022

2:48 p.m.

YAHWEH GIVES A CLEAN WAY OF VIEWING:

Can you tell that there is a real different way of your work? Can you see it, how you feel something on your shoulders? That is a literal spiritual weight in your mantle. The active way is given. You carry real office traits to push you into the new power way. The level is the full work. The way you are to drink is one of no restraint; just pull it from your mantle. How? Ask Yahweh to help you, and act when I tell you to say or do any detail.

Obedient ways will keep you in good work standing, depending on Yahweh to help you in the time needed. You would seek Me to know when something is to be dealt with. And then you will act in obedient ways within the office work way. You are visible in the spirit way; they notice your mantle. Please share what took way in the visit time when you stayed with your relative.

SEERSGATE:

Sitting there on the sofa made me take in seasons of refreshing. I can remember sitting in the living room, looking at the shapes moving to come closer. I noticed the outline of shapes, for I see in the spirit way as if it had a veiled view due to Yahweh taking it away. It's similar to seeing the natural way with a misty film over your eyes, but it's seeing spirit ways with a veiled presentation where just enough is revealed to give a clear understanding of what is to take way.

They came in a gathering, male and female. I heard them, and some gave their way to speak. One, in particular, wanted me to know he had great riches.

YAHWEH:

And what did they threaten you with, servant? They actually sought to test your strength in spirit dealings. See how they were able to find you many miles away from Houston. You live in the Houston way in the Texas territory, yet your mother stays in Virginia, over twenty hours away by car. They still were able to locate you, yet the pastors and churches have no idea where to seek out a world sphere servant. They could find you. They can see you here in your daily work. They have full access to your dwelling and will be blinded when you have intimate moments with your husband and when in shower ways or sealed meetings with Yahweh or angels in meeting ways.

Your mantle is fully pushing three ways: provision, protection, and Yahweh's power. Now, in this presentation way, there will be a declaration of why your way is here. Don't hold back. Say all We give you. And did they ask you to say who you are?

I will make it plain the reason Satan's clan came to visit you. When a witch, warlock, or shapeshifter comes to see a Christian, they measure their spiritual strength to see if there is a real threat. And usually, one witch, warlock, or shapeshifter can bring heavy curses upon one unprepared way. They came in a gathering to see if you would be shaken with their gathering's spiritual strength you tasted. But you barely gave them any notice, even barely feeling any resistance. You were unable to be influenced. Please say what Yahweh gave you in a quick saying.

SEERSGATE:

I said to their way, "Yahweh will prevail." I didn't say it with my wisdom. Yahweh gave me a plan to say certain words within the form of the agreement in this covenant, and I moved in Yahweh's will.

YAHWEH:

So, what is the stem of the power of Yahweh? Was it by showing you are well-learned in Bible trivia or was it shown by being obedient? Obedient actions increase the surging. When you are obedient, it builds a power surging based upon you being able to be trusted.

This is a major flaw in church ways: They do not think they should listen to any. They don't like to receive instruction, and they don't believe any who give a message that doesn't line up with how they feel Jesus would be. They state Hebrews 1:1-3, not seeing Yahweh gave words to put in the Scriptures after. So, they look for their way in being comfortable to excuse their way of believing.

What if there is a new work that needs a new foundation, not a new way of the Church era, but to prepare the world for the return of your Great King Jesus? And what if there must be a way to give this new work apart from the Church era?

See it; you are in all five office gifts. If I have you govern the world way through churches, there would be a big moving against what I gave Paul in Scripture.

See, women can preach and lead, but within the early church way, We chose a Pharisee, a very hard, dogmatic, traditional man to give great wisdom from Me into the way given. Paul gave his opinion; throughout the Scriptures, it is made plain. But I could not get Paul to look at women in a different way than he grew up knowing.

It's as if the culture ingrained a way to look at women, and no one would agree with Paul saying that women are only in good standing, loosely stated, and saved with childbearing. What woman of today would feel valued if they were only good to use to produce babies? And this feeling of needing to have a purpose is ingrained, for, before the fall, Eve governed.

You had to be removed from churches and placed within Kingdom order, separated from church tradition and the way of Scriptures pertaining to it to give you a free will within your sphere to bring a change to the Body under the Kingdom order. It's like getting a ruling from the state outlet, but then how the state is turned will be handled through the overruling judgment of the highest court in the land.

See, the church way is but a short way in time. There will be a thousand-year reign of Christ on this Earth. Are the church outlets going to have that same way, giving democracy a free reign? Kingdom order, the overweighing way, will come and bring the ways of feasts and offerings in the presence of Yahweh. And under Kingdom order, women give ways to lead in bringing stable governing into both men and women, a will in Kingdom living.

To stand in a pulpit will not bring Me to hurt you. The way to gain the titles of Bishop and Pastor is withheld. But you can teach and preach, for it is virtually impossible to keep Me within this way of having no women used based on dealing with the growing up of the servant who gave Me a well way in service through the building up plan in the early movings.

But can you keep men from turning on the TV to view a female telling them how to live a godly way or giving shepherding ways within the Internet settings? Can you hold women to keep from spreading Me when they are in a church building? See how the early way isn't the same? Yet I will not have you open a church and label yourself a pastor; this is to keep a stable way in what I said to help Paul to stay with Me. He couldn't take in that change of women leading, but he could deal with letting the gentile males go uncircumcised. The male would still have a leading way, and he didn't look at it as if it would hinder the early way.

But the action of putting women in front and giving them a placement of worth from what they never knew would have caused real hindering ways in the work.

See it; slavery in the current nation you live in ended many years past, but the hated way still has a sting. People pretend to get along with other races to avoid losing their work or going to jail, yet there is still hatred carried through the parents down to the children. All races carry ill traits that hurt other races. But be aware that hatred for others will not continue into the Kingdom way.

I will not tolerate having a African church or a Asian way, or a Caucasian church. I am sickened with seeing these churches with all one culture using a great gathering to meet. There will not be a church with segregated ways in the thousand-year way, nor will I give that plan a way to deal with. So, wouldn't there be great freedom to dismantle every church outlet that uses their heritage on the building to bring in one particular way?

You see it? That is the real reason why I took you out of the church culture. You need Kingdom order to give the people Yahweh's will. You are a fully released prophet, but I prefer the people to call you servant to the Lord or a seersgate. You understand? So, no prophet Susanna within this work. Seersgate or servant to the Lord. Those witches, warlocks—they came to see if you really will be what is already circulating. Yes, you will.

A special note: Sometimes, Yahweh doesn't say "an" when needed but would use an "a." It's not a grammatical error but a note of the actual way spoken.

STORY 2

Wow, Her Surging is Great

October 30, 2024

10:59 p.m.

YAHWEH IS LEADING:

I allowed them to come early, those spirit travelers. Seersgate, they could tell the surging level of power that lies in your mantle. They are aware of the surging power that flows within your spirit. No one can hide what Yahweh puts within your spirit.

The brief meeting brought a crowd of their way. Satan stood in the crowd but made his servants face your way. You gave them a welcome by standing to greet them. And Yahweh guided your words. We told them of Yahweh's plan for a one-year battle. One lone voice spoke up in the crowd and said that one year was a long plan, and gave a rude way of addressing a prophet, telling your way to shorten it. You did not say a rebuttal, nor did you show anger. Your way waited for a moment to see if Yahweh would relay other instructions.

But something took way. You gave no way of knowing who spoke with you. All you could see was as if looking at a scene from a memory. They could see your fleshly tent. You could only take in what Yahweh showed you in your spirit. But you could hear them. And this person did not sound familiar to your way. They could also see your team: spirit workers in the faith, the unseen angelic guard. And what took way was those angels near noticed a power struggle, an attempt to bring you lowered and weakened. But no one would think the angelic guard would show a display of power by taking a step. As a sign of strength, your angelic guard moved and came closer to the spirit travelers. And the man who gave a barking order said, "I yield."

And they left and marveled at your strength. They could not fathom that your God Yahweh would bring in a world-level prophet to say His message concerning the age of the antichrist.
